In recent years, the GoodKaarma "soap farm" has become a very popular point of interest for visitors to Saaremaa. GoodKaarma is well known throughout Estonia as a producer of high quality soaps made from over 95% organic ingredients. Our thatched farmhouse production centre receives over 5000 visitors each summer, with many also taking our kitchen workshops in soap-making.

Gift Shop At the farm we have a gift shop offering soaps, essential oils, arts and crafts, glass, ceramics & much more.

Garden cafe

The GoodKaarma farm also offers a delightfully unique garden cafe where visitors can enjoy hot and cold drinks, snacks and relax while sitting out on the sundeck. The cafe is licensed to serve beer & wine, as well as offering organic coffee, teas, juices, etc. Both the gift shop & cafe have credit card payment facilities. We also accept advance booking for basic food and drink for groups (coffee & cake, or other snacks).

- * Discover the play area for kids made from recycled wood, the "barefoot path", insect hotel, and other charming curiosities in the gardens.
- * The GoodKaarma soap farm is the ideal place for original gifts, refreshments and stretching your legs while touring the island.

Group visits by advance booking

Many coach groups come each summer to GoodKaarma, including visits from many different schools, businesses, non-profits, governmental organizations, embassies, as well as international and domestic tourism groups. A short tour and presentation about how GoodKaarma started and our soap making process are included for free.

All group visits must be booked in advance.
Please use the booking form on our website: www.goodkaarma.com
